**REISSUE DECLARATION**

I, Tokuroh OZAWA, hereby declare that:

1. Tokuroh OZAWA is a citizen of Japan with the address as stated below next to my name.
2. I have reviewed and understand the contents of the specification and claims of the above-captioned Reissue Application and this Reissue Declaration.
3. I believe that I am the original and first inventor of the invention described and claimed in U.S. Letters Patent No. 6,542,143, which issued from U.S. Patent Application No. 08/945,522 filed October 28, 1997 which is a national stage application of PCT/JP97/00609 filed on February 28, 1997.
4. I claim the priority benefits of the following applications: Japanese Patent Application No. 8-67304 filed February 28, 1996.
5. I acknowledge my duty to disclose information which is material to the examination of this Reissue Application in accordance with 37 C.F.R. §1.56(a).

6. I consider U.S. Patent No. 6,542,143 to be partly inoperative by reason of claiming less than we had a right to claim because the original claims were unduly limited and may not provide an adequate scope of protection. For example, claim 1 is too limiting because it recites correction digital data for compensating for display characteristics of a display element.

7. All errors being corrected in this Reissue Application up to the time of filing this Declaration arose without any deceptive intention on my part.

8. I hereby appoint the following as my attorneys of record with full power of substitution and revocation to prosecute this application and to transact all business in the Patent Office:
